

STEERING

5 Kiro steering files to write on day one (copy these)

5 steps. Save this for later.

01

product.md

What you build, and for whom.

02

tech.md

Your stack and key libraries.

03

structure.md

Folders and naming rules.

04

Code style

Naming and error handling, spelled out.

05

Testing rules

What to test, and how.

Five steering files to write on day one with Kiro.

Follow theAlgurukul for a Kiro tip every day.
